Subway: F Train to 2nd Avenue Station. Get out at the 1st Avenue exit and walk east to Avenue B. This is the closest subway train stop, since you'll be getting out on East Houston Street, which is already below 14 Street, and you'll be getting out on 1st Avenue, which is pretty far east.

R Train to 8th Street Station. This is a bit of a walk but you're in the neighborhood. You'll end up on Broadway and West 8th Street when you get out of the train. Walk east to Avenue B, then over to East 3rd Street.

4 or 5 Train to 14 Street Station. Walk east to Avenue B, then walk over to East 3rd Street.

6 Train to Astor Place Station. Same directions as above, only you'll be about 6 blocks closer.
